EMPLOYMENT HISTORY

College Advising Corps

Director of Rural Initiatives

July 2018 – August 2020

- Established a pilot program to increase college enrollment for first-generation, low-income, and underrepresented students from rural communities; oversaw 11% increase in FAFSA completion; developed academic resources and ACT preparation
- Led long-term strategic planning for program expansion and sustainable funding with senior leaders
- Designed college preparedness curriculum and resources for first-generation and underrepresented students; provided training and guidance for national advising staff
- Oversaw student emergency funding application process and reporting; managed budgets for five schools (more than 1,300 students), including allocation and compliance
- Developed career-readiness and professional development tools for advisers entering the workforce
- Facilitated relationships and productivity of a multi-state college access alliance; ensured participants were achieving goals; maintained constant communication among colleagues and donors

Washington University in St. Louis

Brown School of Social Work

Director of Financial Aid

October 2011 – June 2018

- Short- and long-range planning for student affairs departments; staff management and development; supervision, training, and evaluation of staff
- Reviewed and tracked academic progress for over 600 scholarship recipients annually; provided academic resources and advising; developed support programs to reduce scholarship revocation
- Coached undergraduate students in building leadership skills and cultural awareness

- Partnered with Career Services office to create annual professional development workshop series with 10 campus and community partners; reached over 200 students annually
- Managed 25-member Staff Council responsible for representing 4,000 full-time university staff; achieved record event attendance; collaborated with senior administrators to improve staff benefits

University of Missouri – St. Louis

Financial Aid Coordinator & Outreach Specialist

June 2008 - October 2011

- Provided supervision and training for graduate students serving in frontline customer service roles
- Created college planning and financial aid resources for first-generation and low-income community college students transferring to a large public university
- Developed financial literacy initiatives to improve students' post-graduation preparation and success
- Managed caseload of over 600 students per year, providing superior advising and ongoing support

Allied College

Financial Aid Adviser October 2006 – June 2008

- Advised incoming and prospective students on financial aid opportunities and financial planning
- Collaborated on Orientation and Student Welcome events, including parent and family programming
- Developed proactive retention initiatives for at-risk students facing unique personal circumstances
